Sir:

This paper is responsive to the non-final Office Action mailed December 15, 2004.

Claims 1-32 remain pending.

Applicants wish to thank the Examiner for the courtesies extended to the undersigned during the informal telephone interview of March 10, 2005. The undersigned advised the Examiner that the rejections made in the instant office action were substantially, if not wholly, identical to those made to the identical claims in the office action (paper no. 11) mailed January 20, 2004. Further, applicants informed the Examiner that in response to paper no. 11, applicants filed a Request for Reconsideration on July 20, 2004 addressing the rejections. A copy of the Request for Reconsideration is attached and is herein incorporated by reference. During the

telephone conference, the Examiner indicated that a copy of the Request for Reconsideration was not scanned and that she did not have access to this document.

In response to the Request For Reconsideration, the Examiner issued a non-final office action on August 24, 2004 (paper no. 081804) acknowledging the Request For Reconsideration, withdrawing the rejections made in paper no. 11, and making only an obviousness-type double patenting rejection. In response, applicants filed a Response to Office Action and Terminal Disclaimer. The Examiner replied with the instant non-final office action making the same rejections that were previously addressed and overcome by the Request for Reconsideration.

In light of the above, Applicants respectfully request that the Examiner fully consider the arguments presented in the instant Request for Reconsideration, which incorporates the previous Request for Reconsideration by reference. In the event that the Examiner determines that a Notice of Allowance is not appropriate in response to this reply and decides to issue an office action, applicants respectfully submit that any such office action must be non-final. Alternatively, applicants request withdrawal of the instant office action in view of the aforementioned facts.

Attorney Ref. No.: 004944.85635  
Response to 12/15/04 Office Action

All of the rejections having been addressed, Applicant respectfully requests allowance of the present application and timely notification of the same. Should the Examiner have any questions or comments, the Examiner is invited to contact the undersigned at the number below.

Respectfully submitted,

Dated: 3/11/05
